LINN PUZZLES BY POST

Based in the heart of the Cotswolds, LINN has been producing an exciting range of high quality children's jigsaws for over 25 years.

Crafted in sturdy birch-ply from sustained Finnish forests, each puzzle is stained in bright non-toxic colours, and sealed with a tough lacquer, giving a hardwearing finish that will last for years.

Our range has been carefully developed to take children from the beginnings of shape recognition, through the exuberant years of nursery, and on into school - developing new skills, and providing new challenges on the way.

Price : £26 + £4 p&p (400mm x 400mm)

Even when those annoying pieces get mislaid our replacement piece service means there's no need to discard your jigsaw.

ADVICE TO PARENTS AND CARERS - Wood is a natural material that can be cut into by sharp young teeth, and slight leakage of dye can occur if pieces are sucked for long periods. You should not leave young children alone with any wooden toy.

Price : £14.95 + £3.50 p&p (400mm x 300mm)
